Mental Health, Alcohol & Drug Addiction Recovery Board of Putnam County FY 20 Annual Report

Our Mission

The commitment of the Putnam County ADAMHS Board in partnership with providers, other social service organizations, the community, and our families is to provide necessary behavioral health care services. The residents of Putnam County believe in and promote strong family ties. We believe our future is dependent upon the well-being of our families. As these needs are effectively met, individuals and families will develop to their fullest potential, and the community will build on the renewed strengths of the residents.

Message to Putnam County Residents

The Mental Health, Alcohol & Drug Addiction Recovery Board of Putnam County is statutorily empowered to establish, to the extent resources are available, a community support system, which provides for prevention, support and rehabilitation services and opportunities. Essential elements of the system include, but are not limited to: addiction and mental health services, emergency and crisis intervention, vocational services, family consultation, etc.

Through the development of a local system of care, the Board ensures that individuals with mental health illness and/or addiction receive the services and support they need to achieve recovery.

Local Needs, Local Decision, Local Boards: As we present to the residents of Putnam County our FY 20 Annual Report. Our sincere thanks to all of our service providers and social service agencies for working collaboratively to provide a healthy and safe community for all of us.

Fiscal Year 20 has been a year of uncertainty due to the COVID-19 pandemic. As a result, services have changed and expanded to fit the need. Technology has transformed counseling to be available through telehealth services. Expanded crisis services have been created, including the availability of extended hours to service individuals.

In order to meet the changing needs of the community a Recovery Navigator position was funded. The Navigator links consumers to appropriate referral sources, and works with individuals to assist in obtaining appointments, housing, and transportation among other needed resources.

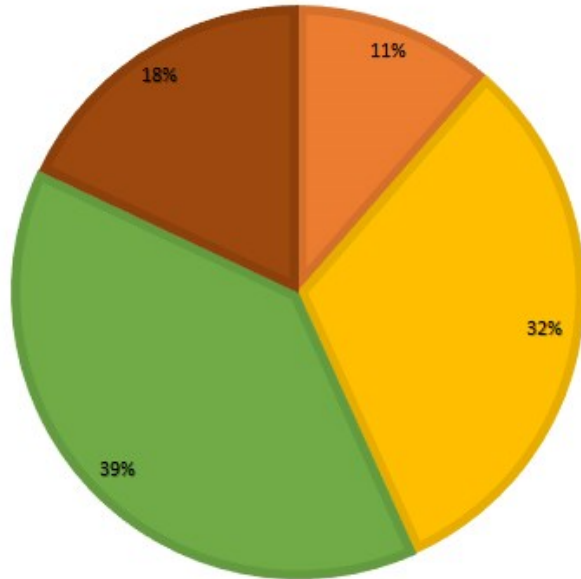

Culture of Quality (COQ)

The Ohio Association of County Behavioral Health Authorities (OACBHA) awarded Board Certification to The Mental Health, Alcohol & Drug Addiction Recovery Board of Putnam County. This is the highest level of certification that a local behavioral health Board can receive. In FY 18 the board received a three-year certification.
