

**Ohio Mental Health and Addiction Services (OhioMHAS)
Community Plan Update for SFY 2021-2022**

Needs Assessment Update

1. Please update the needs assessment submitted with the SFY 2021-2022 Community Plan, as required by ORC 340.03, with any new information that significantly affects the Board’s priorities, goals or strategies. New evaluation process information is of particular interest and importance to the Department regarding: (1) child service needs resulting from finalized dispute resolution with Family & Children First Councils (ORC § 340.03(A)(1)(c)); (2) outpatient service needs of persons receiving treatment in state Regional Psychiatric Hospitals (ORC § 340.03(A)(1)(c); and (3) consequences of opiate use, e.g., overdoses and/or deaths. If the evaluation process section submitted with the SFY 2021-2022 Community Plan remains current, please indicate as such.

Board’s Evaluating the Need for Services and Supports Update/Response (if any):

Several new initiatives have been started in the County. These priorities are listed below in # 3.

Current Status of SFY 2021-2022 Community Plan Priorities

2. Please list the Board, Block Grant and State priorities identified in the SFY 2021-2022 Community Plan. Briefly describe any progress in achieving the related goals and strategies in Column 4 and indicate in the last column if the Priority is “Continued,” “Modified”, or “Discontinued” for SFY 2022.

If the SFY 2021-2022 Community Plan addressed any activities in the identified RecoveryOhio priority areas, OhioMHAS is particularly interested in an update or status report of these areas.

(NOTE: This section only applies to previously submitted SFY 2021-2022 priorities. Any new priorities are to be listed in item #3, if applicable). Please add as many rows in the matrix below as are necessary.

Community Plan Report for the Provision of
Mental Health and Addiction Services
SFY 2021-2022

Each Alcohol, Drug Addiction and Mental Health Services (ADAMHS) Board is required by Ohio law to prepare and submit to the Ohio Mental Health and Addiction Services (OhioMHAS) department a community mental health and addiction services plan for its service area. The plan is prepared in accordance with guidelines established by OhioMHAS in consultation with Board representatives. A Community Plan approved in whole or in part by OhioMHAS is a necessary component in establishing Board eligibility to receive State and Federal funds and is in effect until OhioMHAS approves a subsequent Community Plan.

The undersigned are duly authorized representatives of the ADAMHS/ADAS/CMHS Board.
